

What's in a beauty director's make-up bag?

From base to blush, Vogue's beauty director reveals her top picks.

Sigourney Cantelo

November 3, 2012 - 1:30AM

Vogue's beauty and health director Sigourney Cantelo is lucky enough to have the world's most covetable cosmetics at her fingertips, so which make-up products does she favour? Here, she offers her make-up bag up for scrutiny.

Giorgio Armani Luminous Silk Foundation in 5.5, \$90. "This creates the most perfect, flawless finish, with just the right amount of luminosity, it's creamy, radiant, not too heavy, not too light." *Call David Jones, 1800 061 326.*

Bobbi Brown Creamy Concealer Kit, \$60. "The trick to covering blemishes effectively is to powder over the top of the concealer – love that this clever palette has a matching powder."

Nars Laguna Bronzer, \$55. "This cult bronzer gives most believable tawny, cocoa glow this side of the Bahamas. It doesn't stick to dry patches and always looks natural."

Shu Uemura English Cedar, \$40. "Don't ever think about creating waves without using

Vogue's beauty and health director Sigourney Cantelo is lucky enough to have the world's most covetable cosmetics at her fingertips, so which make-up products does she favour? Here, she offers her make-up bag up for scrutiny.

Giorgio Armani Luminous Silk Foundation in 5.5, \$90. "This creates the most perfect, flawless finish, with just the right amount of luminosity, it's creamy, radiant, not too heavy, not too light." *Call David Jones, 1800 061 326.*

Bobbi Brown Creamy Concealer Kit, \$60. ?"The trick to covering blemishes effectively is to powder over the top of the concealer – love that this clever palette has a matching powder."

Nars Laguna Bronzer, \$55. ?"This cult bronzer gives most believable tawny, cocoa glow this side of the Bahamas. It doesn't stick to dry patches and always looks natural."

Shu Uemura Eyelash Curler, \$40. ? "Don't even think about applying mascara without using this first. It's the ultimate secret to big, bold, wide-awake eyes."

Diorshow Mascara in Blackout, \$52. ?"This secret weapon puts my lashes on steroids. It's über black, ultra-bulking and never flakes or smudges. I feel naked without it." *Call David Jones, 1800 061 326.*

M.A.C Eyeshadow, \$33. ?"There's a reason why make-up artists always use M.A.C eyeshadows – they're highly pigmented, super soft, blendable and have the best shade range bar none."

Chanel Rouge Coco Lip Colour in Cambon, \$50. "What could be more glamorous than pulling a bold red Chanel bullet out of your 2.55? This is the perfect red."

Napoleon Perdis Loose Eye Dust in Star Light, \$35. "A nude, champagne shimmer is the eyeshadow to wear when you want the 'no make-up' make-up look. Doubles as a handy cheek highlighter."

Tom Ford Cheek Color, \$85. "Tom Ford's make-up range just feels so decadent and old-school. This blush is super soft and creates an instant wheat-grass-chugging/ just-been-jogging flush." *Call David Jones, 1800 061 326.*
